EXPERIENCE

Associate Software Engineer / BI Analyst

SoftwareONE Spain | September 2023 - February 2024 - Santiago de Compostela, Galicia

- Developed data reports using Microsoft Power BI.
- Performed ETL processes using Microsoft Power Query.

Internship Employee

SoftwareONE Spain | April 2022 - August 2023 - Santiago de Compostela, Galicia

- During this period I took my first steps as a developer and experienced the front-end, back-end and QA roles.
- Got involved in a project about an educational platform for a NGO, using Angular and Python.
- Had the opportunity to experience an AGILE workspace (Scrum, DevOps).
- Acquired the Microsoft AZ900 certification.
